American India Foundation cordially invites you to
The AIF Annual Golf Tournament
Featuring Indian Tour Player Gurbaz Mann
MONDAY, OCTOBER 15, 2018 • 9:00 AM
Bayonne Golf Club
One LeFante Way, Bayonne, NJ 07002

ABOUT GURBAAZ MANN: Known best as “Baaz,” Gurbaz Mann is a well-known mentor and club fitter to a number of players in Chandigarh, Punjab. Mann formerly was located in Columbus, Ohio. Speaking from the range at the Chapultepec Golf Club in Mexico (March 2018), he shared “I was probably 16 or 17 when I shot 67 in a junior tournament in Chandigarh. At the time it was unheard of to shoot such a low score in that age division.” Mann then went on to become the number one ranked junior in the country.

ABOUT BAYONNE GOLF CLUB: Across the Hudson River from Manhattan, the Bayonne Golf Club is home to a waterfront golf course that is unlike anything this side of the Atlantic. This awe-inspiring course is the centerpiece of an exclusive club that has garnered countless accolades since its unveiling in 2006. Called the “most audacious golf course in the world” by Sports Illustrated, Bayonne’s links design pays worthy homage to the great seaside courses of Scotland and Ireland. Twisting and tumbling, the holes weave among the towering dunes like they do at Turnberry or Ballybunion. The unique waterfront setting not only lends itself to fresh sea breezes but dazzling views of New York Harbor’s dynamic landscape and Manhattan’s iconic skyline. The challenging course has achieved international recognition from some of the nest publications such as Forbes, Sports Illustrated, Golf Digest, and Business Insider.

ABOUT AMERICAN INDIA FOUNDATION: The American India Foundation is committed to catalyzing social and economic change in India and building a lasting bridge between the United States and India through high-impact interventions in education, livelihoods, public health, and leadership development, with a particular emphasis on empowering girls and women to achieve gender equity. Working closely with local communities, AIF partners with NGOs to develop and test innovative solutions and with governments to create and scale sustainable impact. Founded in 2001 at the initiative of President Bill Clinton following a request from Prime Minister Vajpayee, AIF has impacted the lives of 4.7 million of India’s poor and aims to reach 5 million by 2019.
